Distinction Quality Style

This brochure has been designed to provide you with basic information prior to making a purchase decision. Please refer to your dealer for additional information before you buy.

Coachman Caravan Company Limited reserves the right to alter technical specifications, prices and model ranges as materials and conditions demand and can accept no responsibility for discrepancies between these and subsequent models. Household items illustrated in the brochure (e.g. fruit and personal effects) have been used to enhance photography and are not supplied with the caravan. Limitations in the printing process may mean colours are not truly represented.

It should be noted that distributors and dealers are not the agents of Coachman Caravan Company Limited and therefore are not authorised to bind the Company by any specific or implied undertaking or representation.

Please note: Touring caravans are designated by the model year. The model year runs from the 1st September to the 31st August: for example a 2010 year model would have been despatched by the manufacturer no earlier than the 15th August, 2009.

All Coachman models have been certified by the National Caravan Council for compliance with stringent European Standards, British Legislation and industry set Codes of Practice, specifically relating to health and safety issues. The approval process covers the testing and inspection of critical areas of the product from fire safety, weights and dimensions to gas, electrics and ventilation. Every Coachman caravan carries the "NCC Approved Caravan" badge. The NCC also conducts unannounced inspections at the Coachman factory to ensure continued compliance.

NCC Approval gives you peace of mind that your caravan is legal and safe.

The tow cars used in this brochure are for illustration purposes only.

As the owner of a Coachman caravan, you will be automatically entitled to join our Owners' Club. For more information about the Club, please contact: The Membership Officer, Coachman Owners' Club, 2 Braemar Rise, South Hindley, Barnsley, South Yorkshire, S72 9DJ or visit their website: www.coachmanclub.co.uk

Coachman Collection **2010**

Distinction Quality Style

Luxurious design, enduring quality ...

It's now over twenty years since we designed and built the first ever Coachman Caravan. Our aim was to produce a tourer of the highest quality, which would meet our customers' requirements perfectly. We succeeded.

Since then our reputation for designing and building first class caravans has grown from strength to strength. Our impeccable attention to detail, combined with the very best of British craftsmanship, has been recognised by countless industry awards throughout the years. You can see and feel the difference as soon as you step inside.

Our designers maximise space, emphasise comfort, specify only the best components and put everything together with a true sense of style. You can tell immediately that Coachman caravans have been built with experience, enthusiasm and an overriding determination to produce the very best.

How do we do it? That's easy really; we invest heavily in both people and resources to ensure that we stay ahead of the competition. This year saw the completion of a £4M investment programme in our production facilities here in Hull, which are now amongst the most advanced in our industry.

The result is that Coachman caravans continue to set the standard for others to follow. We are delighted therefore to introduce our new collection of 20 models for 2010 which we believe is our best yet. So whichever Coachman attracts your eye, you can invest with confidence, safe in the knowledge that your new caravan will stand the test of time.

PASTICHE

16-21

AMARA

22-27

For the discerning caravanner

Offering home from home comfort, the Laser features every luxury you can imagine. There are two models in the range: the 650/4 - a comfortable and convenient island double bed layout and the 655/6 which boasts a stunning, spacious washroom.

Perfect for two but with plenty of room for guests, the Laser offers a luxurious base from which to enjoy your holiday. If you're not prepared to compromise on quality, equipment or style, the Laser is for you.

Equipment for comfort

Sumptuous soft furnishings and light, eye catching design's are key features of the 2010 Laser. The kitchen is designed to make light work of holiday catering whilst an inboard water tank ensures ease and continuity of supply.

The Laser is also fitted with the Phantom Pro-Active satellite tracking system, the Al-ko Secure security system and Al-ko Trailer Control to give you complete peace of mind.

In summary, if you're looking for the 'best of the best' – the Coachman Laser is the caravan for you.

Luxury, lasting quality and innovative design

For those who appreciate the finer things in life...

Brimming with added extras to ensure carefree, 'five star' holidays, the VIP is a Coachman classic. Its stunning design, meticulous attention to detail and superb equipment guarantee that you'll always be glad you chose the VIP.

From luxurious furniture and floor coverings to clever storage solutions and LED reading lights, every aspect of the VIP is carefully tailored to meet your needs. If you value comfort and quality, the VIP's for you.

Furnished to perfection

There are two fixed bed VIP layouts to choose from, and two which feature what is perhaps the largest and most luxurious shower/ dressing room on the market.

Everything has been thought of in the VIP, from the remote control alarm system and the Sony entertainment centre, to the external barbeque gas point and the convenient mounted magazine rack. With the VIP the difference really is in the detail.

Space for everyone

For those who want to make the most of their leisure time...

The Amara continues to be one of Coachman's most popular ranges. Offering market leading style, quality and value for money, it's easy to see why. There are eight flexible layouts to choose from ranging from two to six berth configurations, so there's sure to be an Amara model to suit every family and every budget.

Equipped with everything you need for a fun-filled family holiday, the Amara is perfect for a trip to the beach, the countryside or further afield. So make more of your hard earned leisure time, arrange to take a closer look at the Amara today.

Features and benefits

We have invested heavily in design to introduce two completely new Amara layouts for the 2010 season. The 570/6 is the ultimate family van, with a dedicated area at the rear which can be closed off completely to give children their own space. There's even space under the bed to store the kids' bikes too!

Whichever Amara you choose – you can be guaranteed to enjoy a deluxe washroom, large storage cupboards and spacious seating areas for family meals. We have even included an external barbecue gas point as standard, should you wish to dine al fresco!

High quality Sony entertainment system

Easy access external BBQ point

Convenient door flyscreen

Omnivent rooflight extractor fan
