

COACHMAN

Your Journey, Your Way

Crafted for quality, made for exploration

2026 Collection

New in

2026

Exceptional craftsmanship, robust build quality and thoughtful design remain at the heart of every Coachman motorhome. Our reputation for engineering excellence means you can count on innovative, high-specification models with a choice of sleeping and seating layouts to suit every journey.

For 2026 we're proud to unveil our latest motorhome collection and introduce the all-new Avventura range—a stylish addition built for adventure and long-distance touring. With refined interiors, advanced technology and flexible layouts, Avventura joins our line-up to offer even more choice for every kind of escape.

All 2026 models benefit from meticulous attention to detail, advanced safety features and premium fittings throughout, ensuring every mile is travelled in confidence and comfort.

2026

THE PRACTICAL AVVENTURA

Luxury meets practicality in the all-new Coachman Avventura, a motorhome created for travellers who demand elegance and versatility without compromise. Built on a rugged AL-KO chassis and powered by a 180 hp Fiat engine, it delivers confident, smooth performance mile after mile.

Inside, the luxurious interior combines soft-close cabinetry, stain-resistant furnishings and thoughtfully placed ambient lighting to create a space that feels like home. Stylish wood finishes, modern matt-black accents and seamless storage solutions ensure the Avventura blends contemporary design with everyday usability.

Available in two layouts—fixed double or fixed single beds—the Avventura offers refined freedom for every adventure.

CARAVAN MOVERS

More comfort on the move

This leaflet has been designed to provide you with basic information prior to making a purchase decision. Please refer to your dealer for additional information before you buy.

Coachman Caravan Company Limited reserves the right to, and does from time to time, alter technical specifications, prices and model ranges as materials, model improvements and conditions demand, therefore can accept no responsibility for discrepancies between these and subsequent models. Household items illustrated in the leaflet (e.g. fruit and personal effects) have been used to enhance photography and are not supplied with the caravan. Limitations in the printing process may mean colours are not truly represented.

It should be noted that distributors and dealers are not the agents of Coachman Caravan Company Limited and therefore are not authorised to bind the Company by any specific or implied undertaking or representation.

All Coachman models have been certified by the National Caravan Council for compliance with stringent European Standards, British Legislation and industry set Codes of Practice, specifically relating to health and safety issues.

The approval process covers the testing and inspection of critical areas of the product from fire safety, weights and dimensions to gas, electrics and ventilation.

Every Coachman motorhome carries the "NCC Approved Caravan" badge. The NCC also conducts unannounced inspections at the Coachman factory to ensure continued compliance. NCC Approval gives you peace of mind that your caravan is legal and safe.
