

COACHMAN

YOUR PERFECT JOURNEY
starts with a 2019 Coachman

WELCOME TO THE FAMILY

At Coachman we live and breathe our principles which shine out of every caravan to leave our factory; excellent craftsmanship, thoughtful design and high quality construction. You can rely on our highly skilled craftspeople, who have rightfully gained a reputation for producing luxurious, reliable and practical caravans, when choosing your 2019 model.

The Coachman Caravan Company was established in 1986 with just 18 members of staff who hand-built 200 caravans each year. Today our team is 200 strong and uses state-of-the-art technology and manufacturing techniques, to produce four incredibly varied ranges. However, your Coachman is still carefully built by fully trained craftspeople, to the highest possible standard.

So, whether you choose to explore the Great British countryside or head to Europe for sun-filled adventures, make the right choice and travel in class and comfort with the Coachman 2019 collection.

CRAFTED WITH LOVE...

Your Coachman caravan is crafted with care by our experienced team. Attention to detail and the highest standards of design and construction are married with the latest materials and manufacturing techniques to produce stylish, practical and luxurious caravans.

We know that our customers demand the highest levels of quality and specification. That's why our expert designers continually refine our ranges and ensure that they always exceed expectations. All of which means you can relax and enjoy your travels in comfort, style and security.

WE ARE PROUD TO HAVE MANY LONG SERVING STAFF MEMBERS

whose knowledge and years of experience contribute to producing every Coachman to exacting standards, meaning you can make new memories on unforgettable family holidays.

...READY FOR ADVENTURE

Every Coachman caravan is manufactured to meet our exceeding standards to ensure it will withstand the test of time for your family's journeys. Every final detail of a Coachman is considered, from window catches to floor joints and everything in between, so your Coachman really is ready and waiting for a touring venture

Whether you plan to travel the coastal roads of Cornwall or through the rolling hills of Scotland, we've got the caravan for your adventure.

ABC TECHNOLOGY

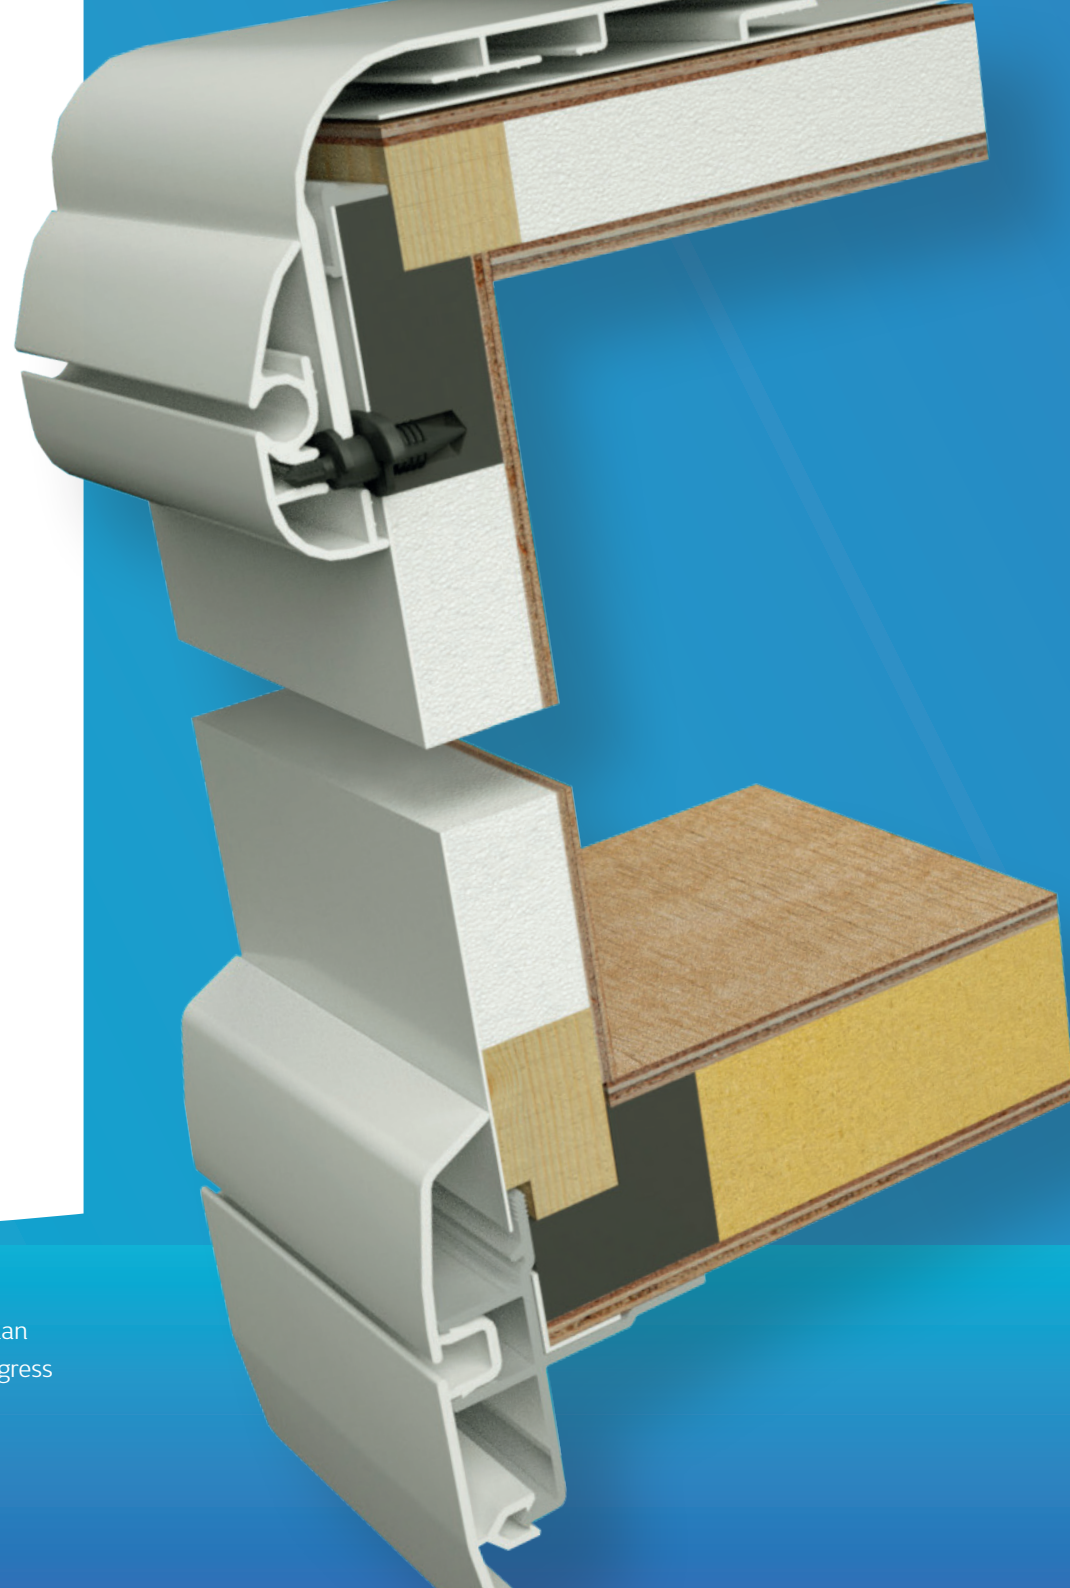

Sit back and relax in your Coachman caravan knowing there is no compromise on quality or durability.

Our strong, stylish 2019 caravans are all an even more competitive weight than ever before; by using innovative materials and our Advanced Bonded Construction techniques (ABC), we are able to ensure every Coachman is of the highest quality, durable and easy to take to your favourite destination.

ABC has been developed over several years and by removing the need for screws in the outer body shell it is designed to virtually eliminate the threat of water ingress. We're so confident of its effectiveness, that every 2019 Coachman caravan comes protected by our comprehensive 10-year water ingress warranty as standard (terms and conditions apply).

10
YEAR
WATER INGRESS
WARRANTY

We're so confident of its effectiveness, that every Coachman comes protected by our comprehensive 10-year water ingress warranty as standard (terms and conditions apply).

RIGOROUSLY TESTED

Coachman meticulously quality check every caravan at several key stages throughout the design and manufacturing processes. Once the finished caravan rolls off the production line, every single one then undergoes comprehensive multi-point checks before the caravan can be released for delivery.

COMPETITIVE WEIGHTS

By constantly reviewing our design and manufacturing methods along with the materials and components that we use, we have been able to reduce the weight of our caravans without compromising on quality or durability.

WATER RESISTANT

Each Coachman is fully bonded using innovative materials, specialist adhesives and the very latest build techniques that together virtually eliminate the threat of water ingress.

STRONG AND SEAMLESS

The strong and durable body frame is made up of a tough, Polyurethane (PU) material and uses Structural Reaction Injection Moulding (SRIM) techniques which together are virtually impervious to water and have been proven through rigorous testing. Coupled with our traditional production methods and our keen attention to detail, every Coachman is made to stand the test of time.

VISION

Affordable and versatile,
the Vision is the true
family caravan.

Whether you are a couple or a larger family looking for a caravan, the Vision is designed to be spacious, flexible and practical while still offering the comfort and luxury you expect from Coachman.

The well-planned interiors of this six-model line-up are packed with state-of-the-art features which offer all the comforts of home.

New for 2019, you can enjoy the updated colour schemes with superior sprung upholstery, domestic floor covering in French Oak-Dark Grey and Tindari wood colour throughout. Additionally, a top-mounted vanity bowl and illuminated mirror in the bathroom means you will always look your best.

You can relax knowing that there is no compromise on quality or comfort, letting you concentrate on making the most of your leisure time with your loved ones.

This brochure has been designed to provide you with basic information prior to making a purchase decision. Please refer to your dealer for additional information before you buy.

Coachman Caravan Company Limited reserves the right to, and does from time to time, alter technical specifications, prices and model ranges as materials, model improvements and conditions demand, therefore can accept no responsibility for discrepancies between these and subsequent models. Household items illustrated in the brochure (e.g. fruit and personal effects) have been used to enhance photography and are not supplied with the caravan. Limitations in the printing process may mean colours are not truly represented.

It should be noted that distributors and dealers are not the agents of Coachman Caravan Company Limited and therefore are not authorised to bind the Company by any specific or implied undertaking or representation.

All Coachman models have been certified by the National Caravan Council for compliance with stringent European Standards, British Legislation and industry set Codes of Practice, specifically relating to health and safety issues.

The approval process covers the testing and inspection of critical areas of the product from fire safety, weights and dimensions to gas, electrics and ventilation.

Every Coachman caravan carries the "NCC Approved Caravan" badge. The NCC also conducts unannounced inspections at the Coachman factory to ensure continued compliance. NCC Approval gives you peace of mind that your caravan is legal and safe.

As the owner of a Coachman caravan, you will be automatically entitled to join our Owners' Club. For more information about the Club, please contact: The Membership Officer, Coachman Owners' Club, 26 Peveril Bank, Telford, TF4 2BU.

Please note: Touring caravans are designated by the model year. The model year runs from the 1st September to the 31st August.
